NOTICE OF TENTATIVE DECISION TO APPROVE NO. M/035/009
BEFORE THE DIVISION OF OIL GAS AND MINING
DEPARTMENT OF NATURAL RESOURCES, STATE OF UTAH

IN THE MATTER OF TENTATIVE DECISION TO APPROVE REVISION TO
AN EXISTING MINING AND RECLAMATION PLAN FOR BARNEY'S
CANYON MINE, SALT LAKE COUNTY, UTAH

THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUC-
TION, MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL
PERSONS INTERESTED IN SECTIONS 1, 2, 3, 10 AND 11, TOWNSHIP 3
SOUTH, RANGE 3 WEST, SLBM, SALT LAKE COUNTY, UTAH.

Notice is hereby given by the Division of Oil, Gas and Min-
ing of its tentative decision to approve Kennecott Corporation's
Canyon Mine. Revised mining activities will effect portions of the
following area: Sections 1, 2, 3, 10 and 11, T3S, R3W, SLBM, Salt
Lake County, Utah.

Kennecott Corporation has submitted a revision to its per-
mit to expand the existing gold mining operation to include the
following changes; the existing mine, currently permitted for 707
acres, will be increased by approximately 218 acres.

During Operations

The operator will continue to mine gold ore using typical
open pit mining methods. The operator will create two new
pits, the North Barney's Canyon South Pit (6.3 acres) and the
South Barney's Canyon South Pit (20.1 acres). The existing
Melco haul road will be expanded (28 acres). The existing
Melco Pit will be expanded (63.9 acres), and the Melco waste
dumps will be expanded (59 acres). Topsoil salvage and
storage will take place prior to mine development. Gold ore
is processed on-site using heap leaching technology. Kenne-
cort will mine its current ore reserves through 1997.

Following Operations:

The operator will reclaim approximately 140 acres of the total
218 acres, addressed under this revision. Pit highways will not
be reclaimed. The South Barney's Canyon South Pit will be
partially backfilled. Accessible pit benches will be reclaimed.
Regarding, retopsoiling and revegetation will take place on
waste dumps and roads. An exception to this will be portions
of the Melco dumps which will be revegetated only.

The person representing the company is Mr. David I. Hod-
son, General Manager, Barney's Canyon Mine, 8200 South and
9600 West, P.O. Box 341, Bingham Canyon, Utah 84006-0341;
Phone (801) 569-7118. Kennecott Corporation is fulfilling obliga-
tions under the Utah Mined Land Reclamation Act of 1975, Utah
Code Ann. ss 40-8-18.

Any person or agency aggrieved by this tentative decision
to issue approval is hereby requested to submit written protest
within thirty (30) days of the date of publication to the Division of
Oil, Gas and Mining, 355 West North Temple, 3 Triad Center,
Suite 350, Salt Lake City, Utah 84180-1203, setting forth factual
reasons for the complaint. If no responsive written protests are
received by the Division within 30 days after the last date of
publication, the tentative decision of the Division will be final.
DATED this 9th day of September, 1992.
